HEAT CIRCULATION SYSTEMS

These kits include everything except duct tape and wire. This very effective way of distributing heat is simple, cost effective and very flexible. We would be glad to help you design or install any aspect of your heating systems. Room temperatures will not be identical. Every home and room loses heat at a different rate, hence: performance will vary.

ONE ROOM

\$349.00

1-1/70 h.p. 400 C.F.M. Air Handler
